TOWN OF SOUTH KINGSTOWN

PRIVATE REFUSE HAULER

RECYCLING PLAN

SCOPE OF WORK

(Rev. 9 – 2014)

In accordance with Chapter 15, Section 15-4 of the Town Code, all private refuse haulers collecting residential solid waste, non-residential solid waste and/ or residential recyclables must secure an annual license from the Town of South Kingstown.

Prior to license issuance, private refuse haulers shall provide a written, bona fide recycling plan to the Public Services Director for his/ her approval, which demonstrates that said private hauler has the adequate equipment and operational capability to collect required recyclables from each and every customer on a regular basis.

The following questions must be completely answered, with all required application information provided, in order to be considered for issuance of a solid waste hauler license in South Kingstown:

I. Customer Base

1. Residential Customers (4 dwelling units or less on a single parcel)
 - a. Number of year round residential customers _____
 - b. Provide year round residential customer roll in Exhibit A format _____
 - c. Number of seasonal residential customers _____
 - d. Seasonal residential customer roll in Exhibit A format _____

Residential customer rolls are necessary to determine recycling diversion rates for each private hauler servicing residential properties in South Kingstown. In addition, residential customer rolls are also necessary if the private hauler is desirous of securing "municipal cap" solid waste tonnage for disposal at the Rose Hill Regional Transfer Station (RHRTS).

2. Residential Customers (5 dwelling units or more on a single parcel)
 - a. Number of residential customers with 5 or more dwelling units on a single parcel _____
3. Commercial/ industrial customers
 - a. Number of commercial/ industrial customers _____

II. Destination of Solid Waste and Recyclables

1. Residential solid waste destination
 - a. To Rose Hill Regional Transfer Station: Yes_____, No_____
 - b. Direct haul to RI Resources Recovery Corporation (RIRRC) Central Landfill: Yes_____, No_____ (if yes, then you must answer #3 below)

Note: By State law, all residential solid waste must ultimately be disposed of at the RIRRC Central Landfill or other State designated disposal facility

2. Residential recyclable material destination
 - a. To Rose Hill Regional Transfer Station: Yes_____, No_____
 - b. Direct haul to RI Resources Recovery Corporation (RIRRC) Materials Recycling Facility: Yes_____, No_____ (if yes, then you must answer #3 below)

Note: By State law, all residential recyclables must ultimately be disposed of at the RIRRC Central Landfill Materials Recycling Facility (MRF) or other State designated disposal facility

3. Documentation of residential solid waste and recyclables brought to RIRRC

Any residential solid waste or recyclables not disposed of at the Rose Hill Regional Transfer Station must be accurately weighed and documented. In addition, the residential solid waste and recyclables cannot be commingled with residential solid waste and recyclables from other communities or non-residential solid waste/recyclables.

Please provide a narrative description on how you anticipate addressing this issue if your residential solid waste and recyclables are not disposed of at the Rose Hill Regional Transfer Station.

III. Refuse and Recycling Equipment and Vehicles

List below the vehicles and equipment dedicated to residential solid waste collection and residential recycling collection for South Kingstown residential customers.

1. Solid Waste Collection Vehicles

Year: _____
Vehicle License Plate: _____
Vehicle Make: _____

Type of Vehicle: _____

Year: _____
Vehicle License Plate: _____
Vehicle Make: _____
Vehicle Model: _____
Type of Vehicle: _____

IV. Refuse and Recycling Collection Schedules

1. Will residential solid waste and recyclables be collected from each residential customer on the same day of each week? Yes_____, No_____
2. Will both residential recyclable commodities be collected from each residential customer each week? Yes_____, No_____ (If no, the following two questions must be answered)
3. Will both residential recyclable commodities be collected from each residential customer every other week? Yes_____, No_____ or;
4. Will one residential recyclable commodity be collected one week and the second residential recyclable commodity collected from each residential customer the following week? Yes_____, No_____
5. Provide a detailed collection schedule for residential solid waste and recyclables, by area, for South Kingstown. The collection schedule must include street name and day of the week for collection of residential solid waste and recyclables.

V. Recycling Diversion Rate

In accordance with Chapter 15 of the Town Code, private haulers must meet minimum recycling diversion rates for your residential customers. The diversion rate is calculated as follows:

Total tons of South Kingstown residential recyclables divided by the sum of South Kingstown residential recyclables and South Kingstown municipal waste (which is based upon your customer roll).

1. Will your South Kingstown residential recyclables be commingled with residential recyclables from other communities? Yes_____, No_____
2. If you answered yes to the above question, how do you plan on tracking and reporting recycling tonnage in order for the Town to calculate an accurate South Kingstown residential recycling diversion rate for your firm? Please explain:
