To Whom It May Concern:

Our neighbors, Robin and Simon Wildman are requesting an exception / variance be approved by the town to build a 25 foot or taller garage on their property. Their property directly abuts ours and we have no objection to this building. If you would like to contact us with any questions, our information is listed below.

Thank you,

To whom it may concern;

This note is to convey that we have no objection to Mr. Simon Wildman's request for a zoning variance, with regards to the construction of a garage with a 25' height, on his property, abutting ours.
